DECLARATION

I hereby declare that the project titled “**CAMPUS-XEPTIONS**” prepared and submitted by me for Project of Bachelor of Computer Application to School of Computer Science, Renaissance University, Indore in 5th semester is my original work and it is done by me to the best of my knowledge. There is no material copied from other resources.

Name: RAVI, SHUBHAM, SHUDHANSHU

Date: 03/02/2026

ACKNOWLEDGMENT

I would like to express my special thanks of gratitude to my teacher **Mr. Wakil Gohri** as well as our Academic Coordinator **Ms. Riya Upadhyay** who gave me the golden opportunity to do this wonderful project on the topic “**CAMPUS-XEPTIONS**”, which also helped me in doing a lot of research and I came to know about so many new things I am really thankful to them.

Secondly, I would also like to thank my parents and friends who helped me a lot in finalizing this project within the limited time frame.

Student Names : SHUBHAM, RAVI, SHUDHANSHU

MINOR PROJECT REPORT

CAMPUS-XECPTIONS

1: Introduction

1.1 Overview of the Project

Write details here...

1.2 Problem Definition

Write details here...

1.3 Objectives of the Project

Write details here...

1.4 Scope of the Project

Write details here...

1.5 Applications of the Project

Write details here...

2: Literature Review

2.1 Existing System

Write details here...

2.2 Limitations of Existing System

Write details here...

2.3 Proposed System

Write details here...

2.4 Advantages of the Proposed System

Write details here...

3: System Analysis

3.1 Requirement Analysis

Write details here...

3.2 Functional Requirements

Write details here...

3.3 Non-Functional Requirements

Write details here...

3.4 Feasibility Study

Write details here...

4: System Design

4.1 System Architecture

Write details here...

4.2 Module Description

Write details here...

4.3 Data Flow Diagram (DFD)

Write details here...

4.4 Use Case Diagram

Write details here...

4.5 ER Diagram

Write details here...

4.6 Database Design

Write details here...

5: Technology Used

5.1 Programming Language

Write details here...

5.2 Frontend Technology

Write details here...

5.3 Backend Technology

Write details here...

5.4 Database

Write details here...

5.5 Tools / IDE Used

Write details here...

5.6 Hardware & Software Requirements

Write details here...

6: Implementation

6.1 Description of Modules

Write details here...

6.2 Algorithm / Logic Used

Write details here...

6.3 Code Snippets

Write details here...

6.4 Screenshots of the System

Write details here...

7: Testing

7.1 Testing Strategy

Write details here...

7.2 Types of Testing

Write details here...

7.3 Test Cases

Write details here...

7.4 Test Results

Write details here...

8: Results and Discussion

8.1 Output Screens

Write details here...

8.2 Performance Analysis

Write details here...

8.3 Comparison with Existing System

Write details here...

9: Conclusion and Future Scope

9.1 Conclusion

Write details here...

9.2 Limitations

Write details here...

9.3 Future Enhancements

Write details here...
